The Kentucky Rural Water Association ("KRWA") has moved for an extension of time in which to file its Brief. As part of its motion, KRWA has waived its right to submit a rebuttal brief and requested that all other parties be granted an additional 5 days in which to submit a rebuttal brief. Having considered the motion and being otherwise sufficiently advised, the Commission finds that the motion should be granted.

IT IS THEREFORE ORDERED that:

1. KRWA's motion for an extension of time is granted.
2. KRWA may file its brief on or before September 16, 1997. KRWA shall not submit any rebuttal brief in this proceeding.
3. All other parties may submit rebuttal briefs on or before September 23, 1997.

Done at Frankfort, Kentucky, this 17th day of September, 1997.
